

**Specialty Certificate Examination (SCE) in Endocrinology and Diabetes
2019 Selected Examination Metrics**

The 2019 SCE in Endocrinology and Diabetes was sat by 325 candidates of which 88 were self-declared UK trainees. Candidates who did not declare their training details are reported as 'Other' (237).

Pass Mark

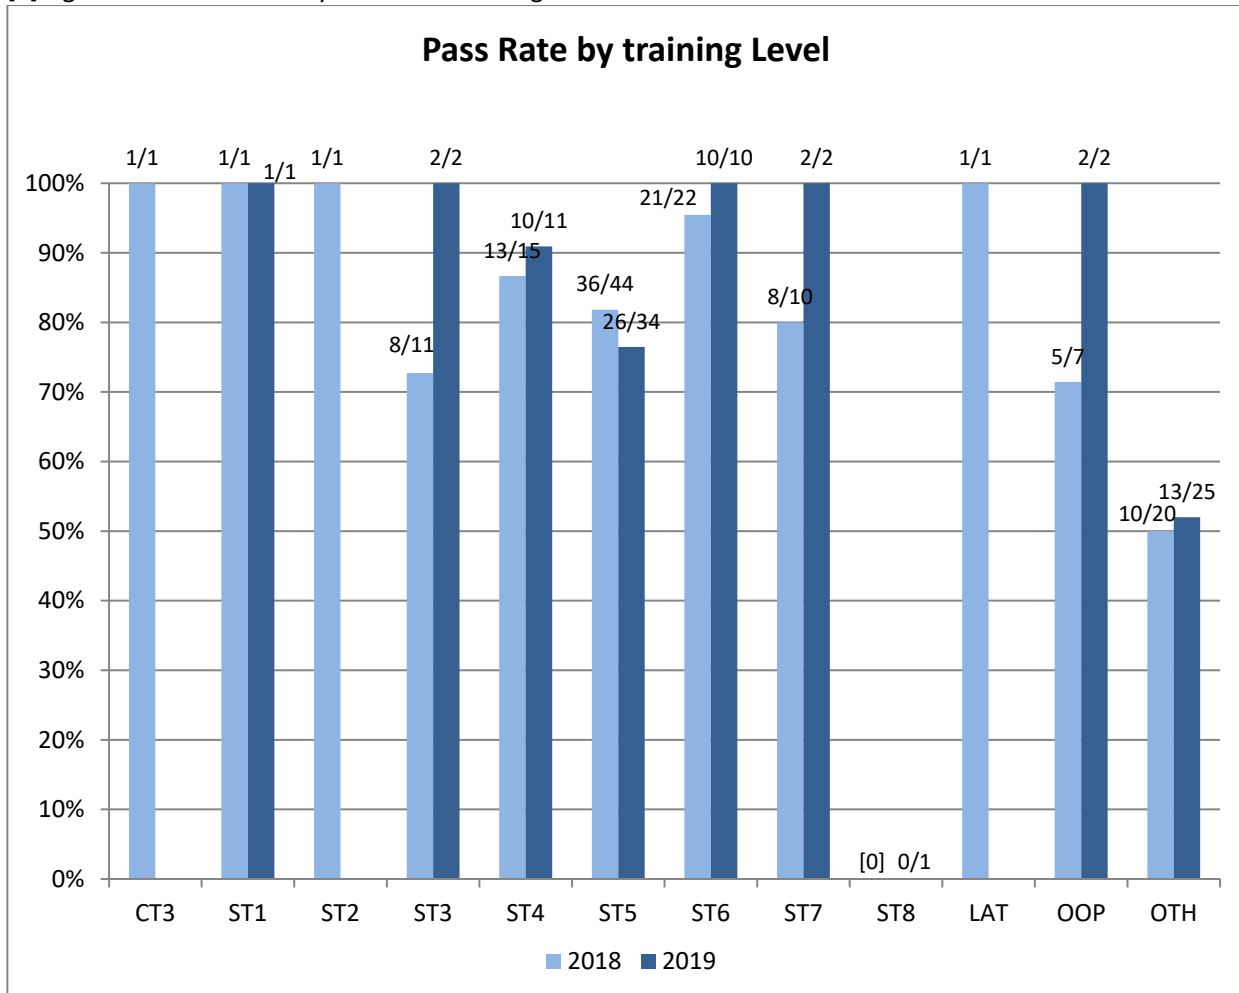

The pass mark for this examination was established by using the Hofstee compromise method which combines the mean scores of the standard setting group with UK trainees' performance.

For the 2019 Endocrinology and Diabetes examination the pass mark was set at 60.5% (121/200).

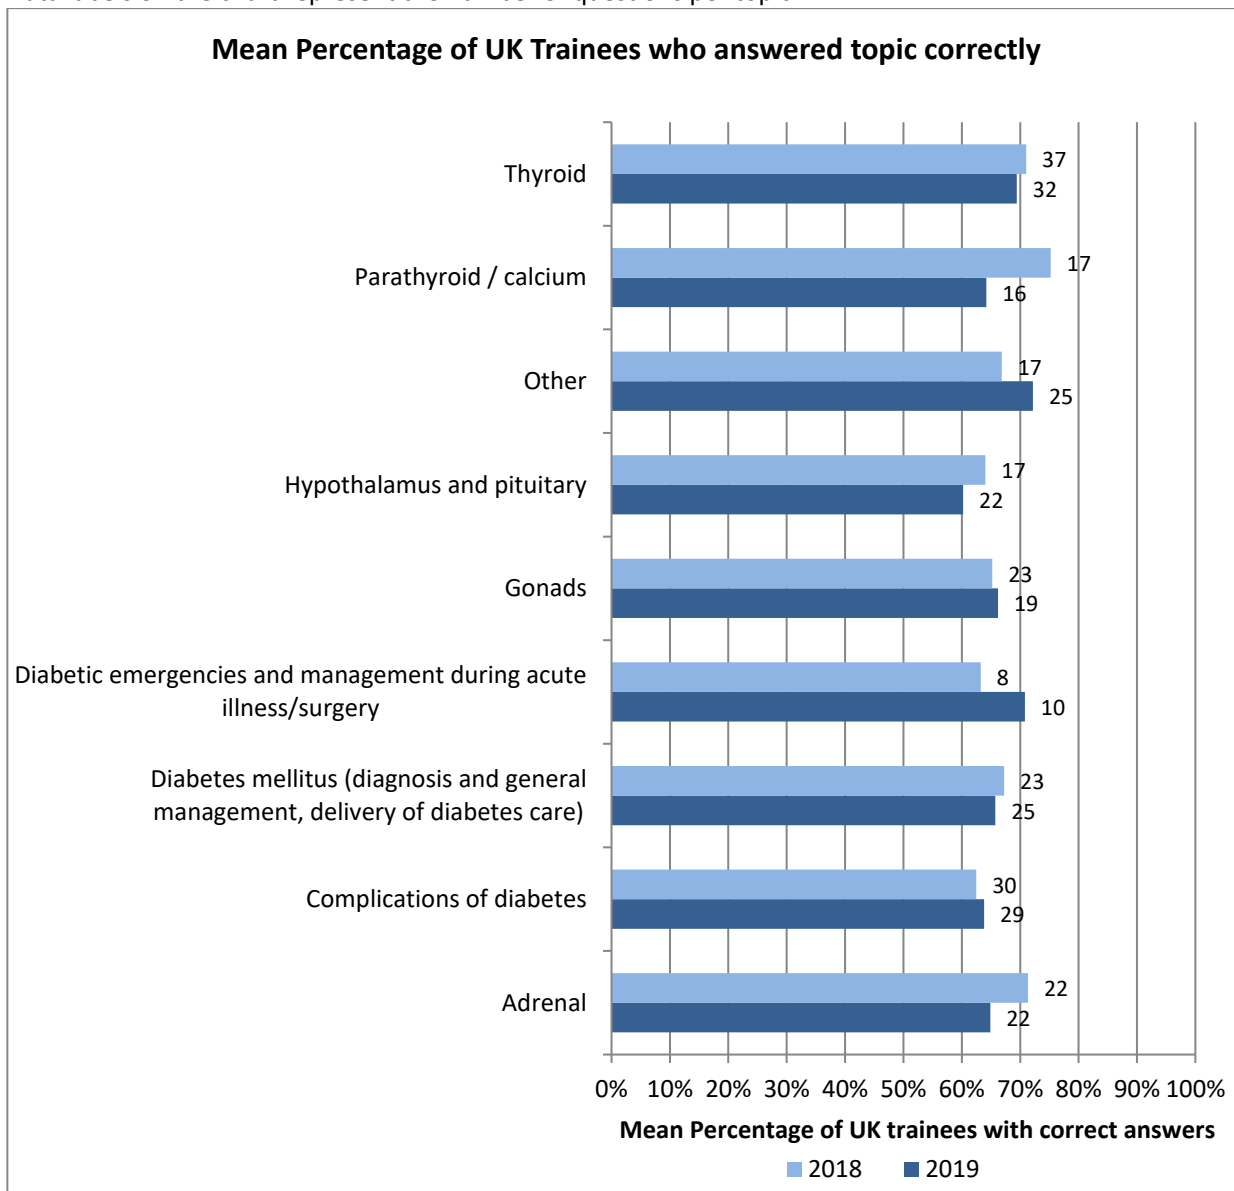

More information on standard setting can be found here
