

Specialty Certificate Examination (SCE) in Palliative Medicine 2022 Selected Examination Metrics

The 2022 SCE in Palliative Medicine was sat in November 2022 by 75 candidates of whom 40 were self-declared UK trainees. From 2022 'OTH' self-declared UK trainees are excluded from UK trainees' cohort. Candidates who did not declare their training details and the OTH group are reported as 'Other' (35).

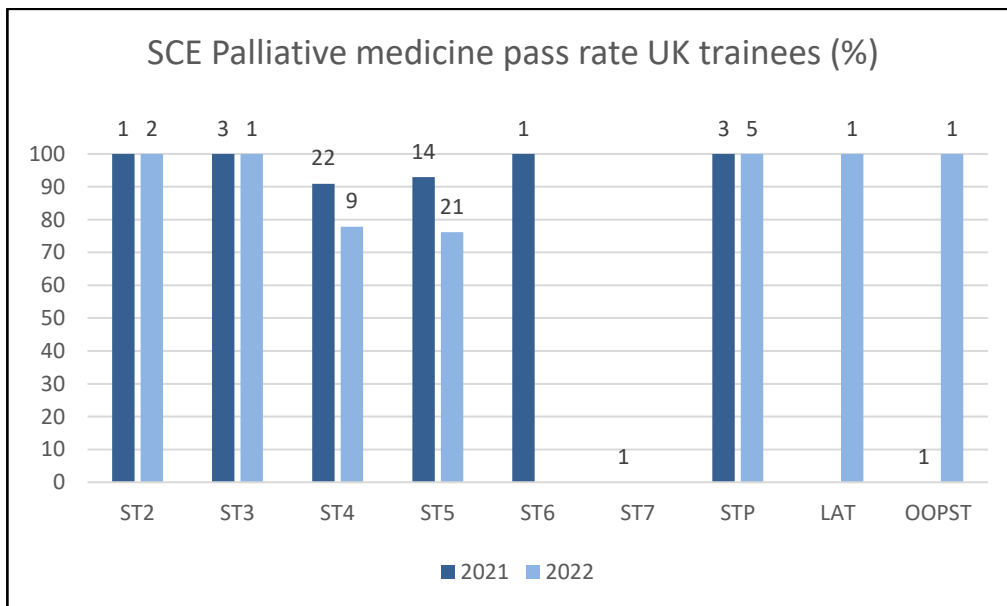

Pass Mark

The pass mark for this examination was established by equating based on 2019 UK trainees' performance after excluding OTH group. The standards of the examination were reviewed in June 2022 and the pass score was increased from 457 to **462**. All future examinations will use 462 as the passing score until the standards are reviewed by the SCE Palliative Medicine Examination Board.

For the 2022 SCE Palliative Medicine examination the pass mark was set at **462 (67.4% or 132/196)**.

UK trainees' performance

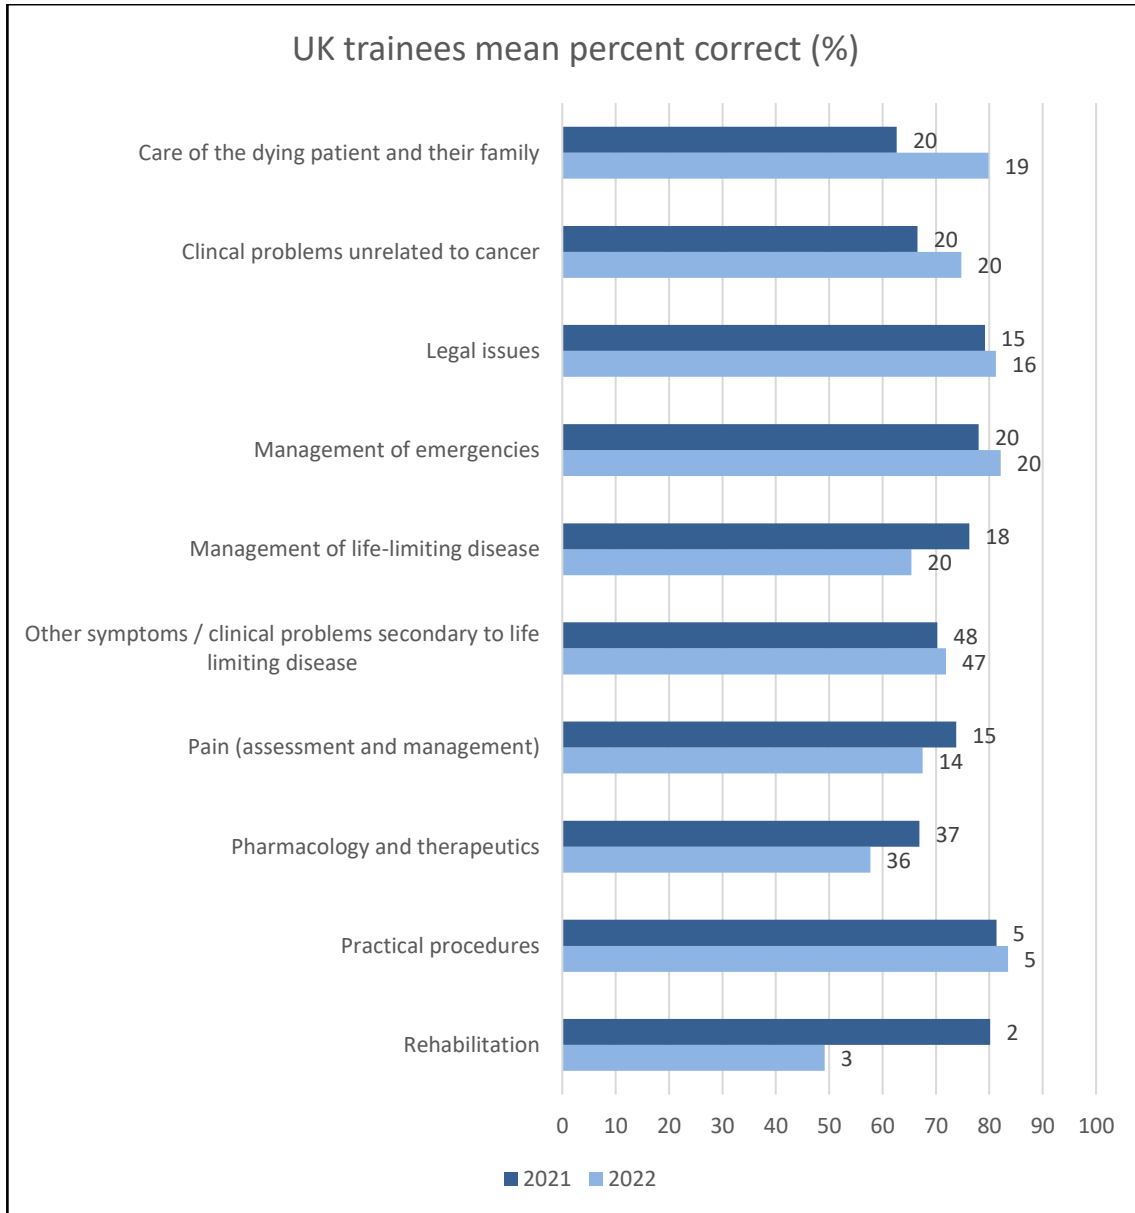

In 2022 ST5 UK trainees had the highest sitting number (21) and a pass rate of 76.2% (16/22). The pass rate for all UK trainees was 89.7% and 66.7% for all candidates.
