

Learning to Make a Difference

Online QI support sessions for trainees

These sessions will be led by a consultant who is a Clinical Leader in Quality Improvement. The sessions will be a mixture of presentations and teaching but are also for trainees to dial into for advice on doing a quality improvement project.

Want to know how to get started? Is your project aim a good one? Not sure what to measure?

Now is your chance to ask the experts.

Date	Time	Link	Meeting number	Password
Monday 7 September	8 pm	Click here	959 886 147	LTMAD
Monday 5 October	8 pm	Click here	950 739 323	LTMAD
Monday 2 November	8 pm	Click here	959 530 935	LTMAD
Monday 7 December	8 pm	Click here	954 811 774	LTMAD

If you can't get to a computer screen – you can join by phone by dialling 0203-478-5289. When prompted for the access code, use the meeting number.

Please also dial in by phone even if you are using your computer as the sound quality is much better.

Use #LTMAD to get answers to queries at any time

Those who have dialled in reported

- Having tailored expert advice
- Reassurance about their ideas
- The opportunity to ask questions about individual projects ideas
