## Specialty Certificate Examination (SCE) in Acute Medicine 2020 Selected Examination Metrics

The 2020 SCE in Acute Medicine was sat by 319 candidates of whom 169 were self-declared UK trainees. Candidates who did not declare their training details are reported as 'Other' (150).

## **Pass Mark**

The pass mark for this examination was established by equating based on 2019 UK trainees' performance. All future examinations will use 2019 as the base form for equating until the standards are reviewed by the SCE Acute medicine Examination Board.

For the 2020 SCE Acute Medicine examination the pass mark was set at 449 (54% or 108/200).

More information on standard setting can be found here <a href="http://www.mrcpuk.org/mrcpuk-examinations/results/exam-pass-marks">http://www.mrcpuk.org/mrcpuk-examinations/results/exam-pass-marks</a>

\* The numbers at the top of the bars are the number of trainees passing/sitting

## \* Data labels on chart represent the number of questions per topic
