

Specialty Certificate Examination (SCE) in Medical Oncology 2020 Selected Examination Metrics

The 2020 SCE in Medical Oncology was sat by 110 candidates of which 61 were self-declared UK trainees. Candidates who did not declare their training details are reported as 'Other' (49).

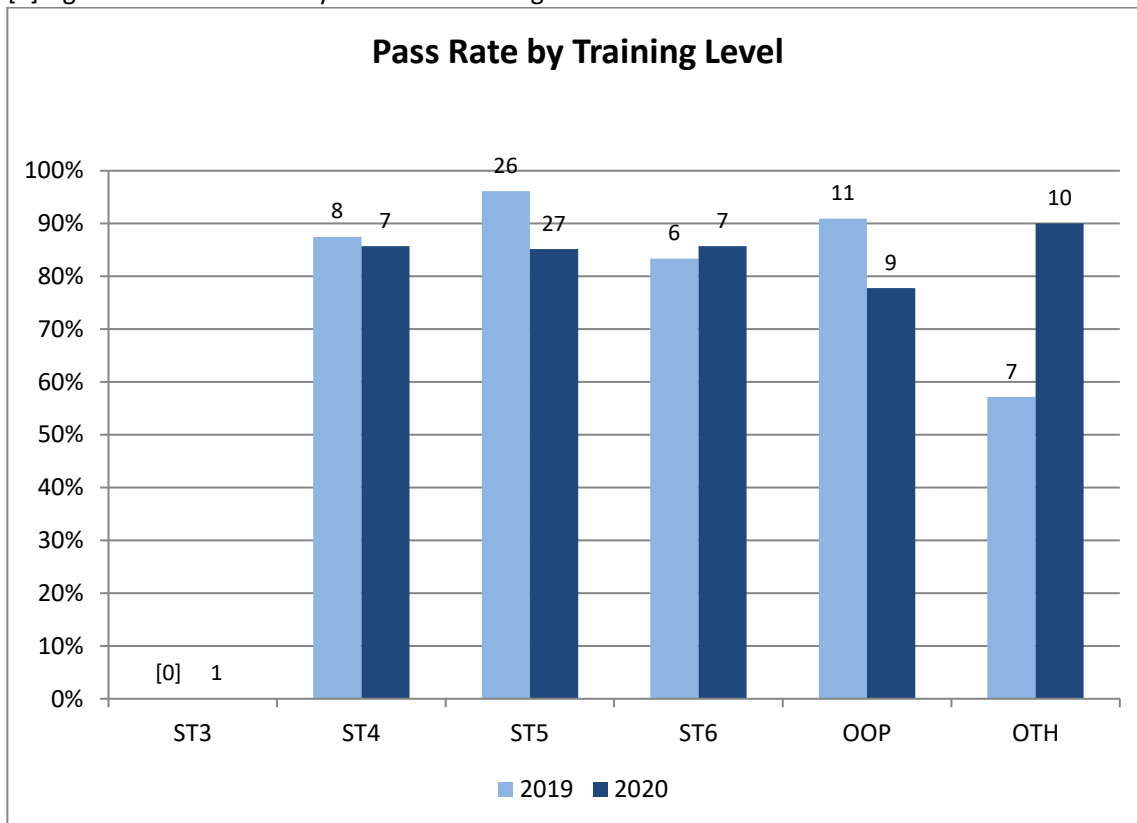

Pass Mark

The pass mark for this examination was established by equating based on 2019 UK trainees' performance. All future examinations will use 2019 as the base form for equating until the standards are reviewed by the SCE Oncology Examination Board.

For the 2020 Medical Oncology examination the equated pass mark was set at **371 (53.5% or 107/200)**

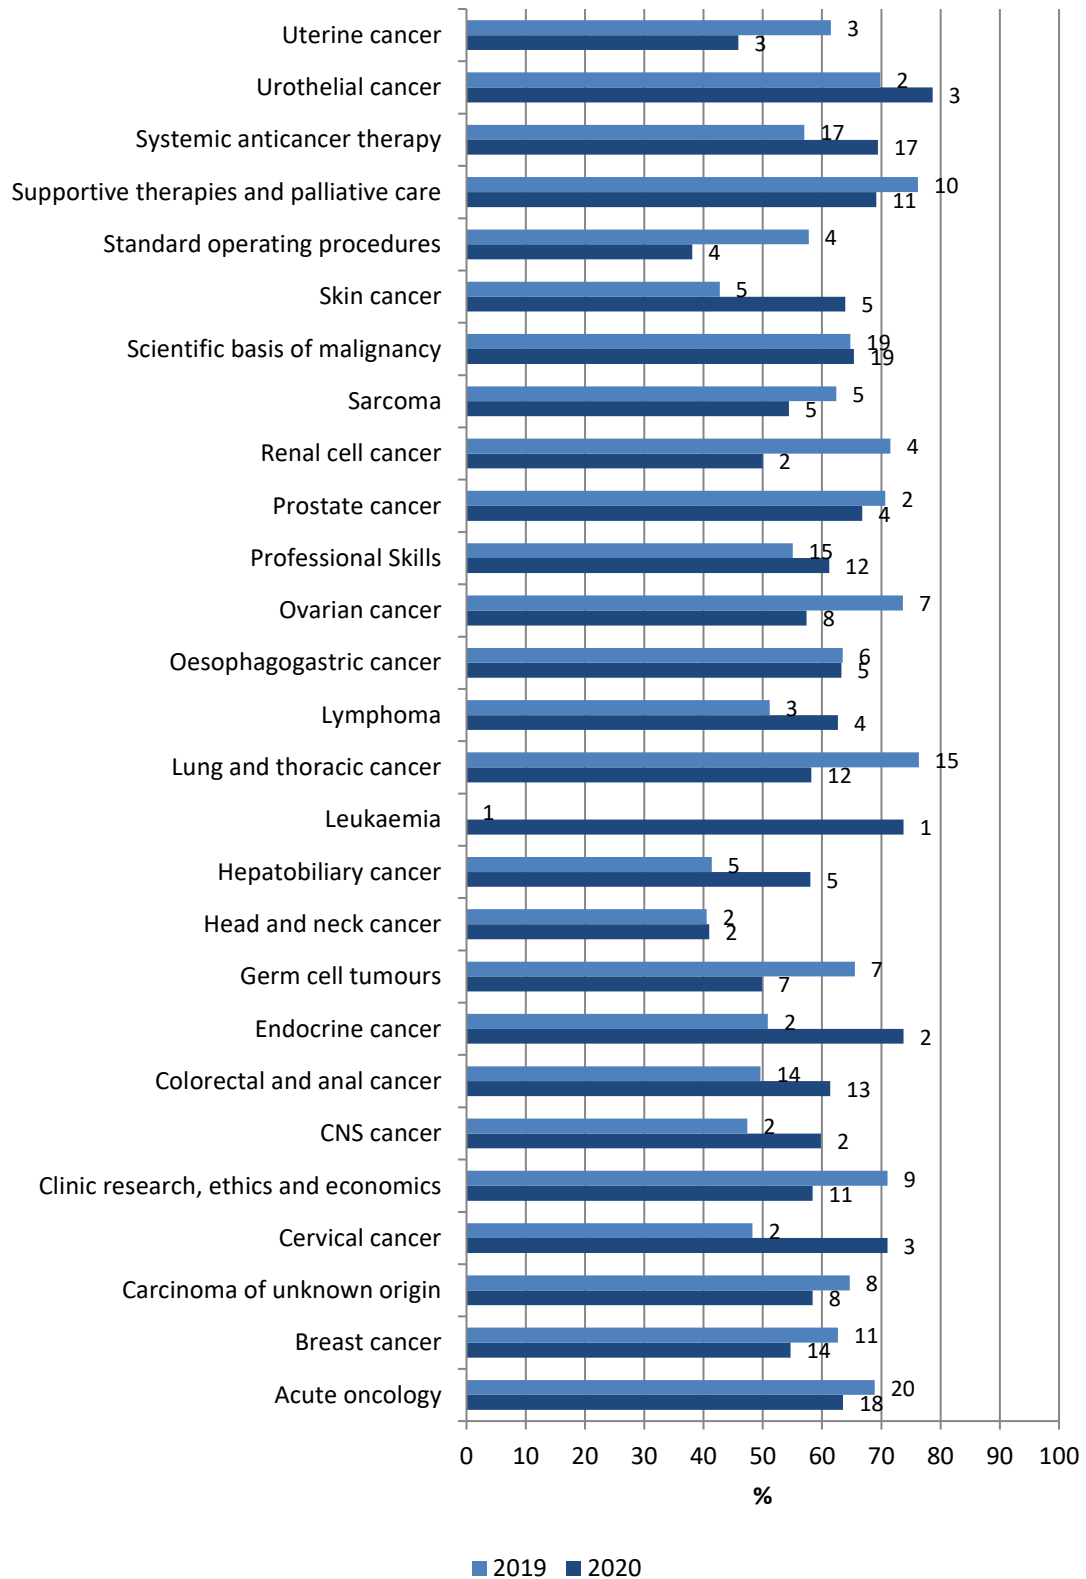

More information on standard setting can be found here
<http://www.mrcpuk.org/mrcpuk-examinations/results/exam-pass-marks>

The numbers at the top of the bars are the number of trainees passing/sitting
 [0] signifies no entries that year at that training level

Data labels on the chart represent the number of questions per topic

UK trainees Topic performance % correct

Other Topic performance % correct
