The Federation of Royal Colleges of Physicians of the UK is seeking to appoint three new trainee members to the MRCP(UK) Scenario Writing Group (SWG), which is responsible for producing new scenarios for stations 2 and 4 of the PACES Examination. Applicants will be expected to attend meetings and participate in training as required. This includes attending the next training day on **Thursday 3 November 2016** at the Royal College of Physicians, London from 10.30am–5pm.

Applicants should meet the following criteria to be eligible to apply:

This is a non-salaried position, although all reasonable expenses and travel costs incurred in travelling to meetings will be met by MRCP(UK) Central Office in line with the Federation expenses policy. The Federation awards CPD credits for participation in scenario writing activities.

The tenure of trainee appointments is three years; however this will terminate upon completion of specialist training or appointment as a Consultant. Attendance at meetings is monitored and members may be asked to step down if they fail to attend regularly.
