

Specialty Certificate Examination (SCE) in Acute Medicine 2021 Selected Examination Metrics

The 2021 SCE in Acute Medicine was sat by 359 candidates of whom 179 were self-declared UK trainees. Candidates who did not declare their training details are reported as 'Other' (180).

Pass Mark

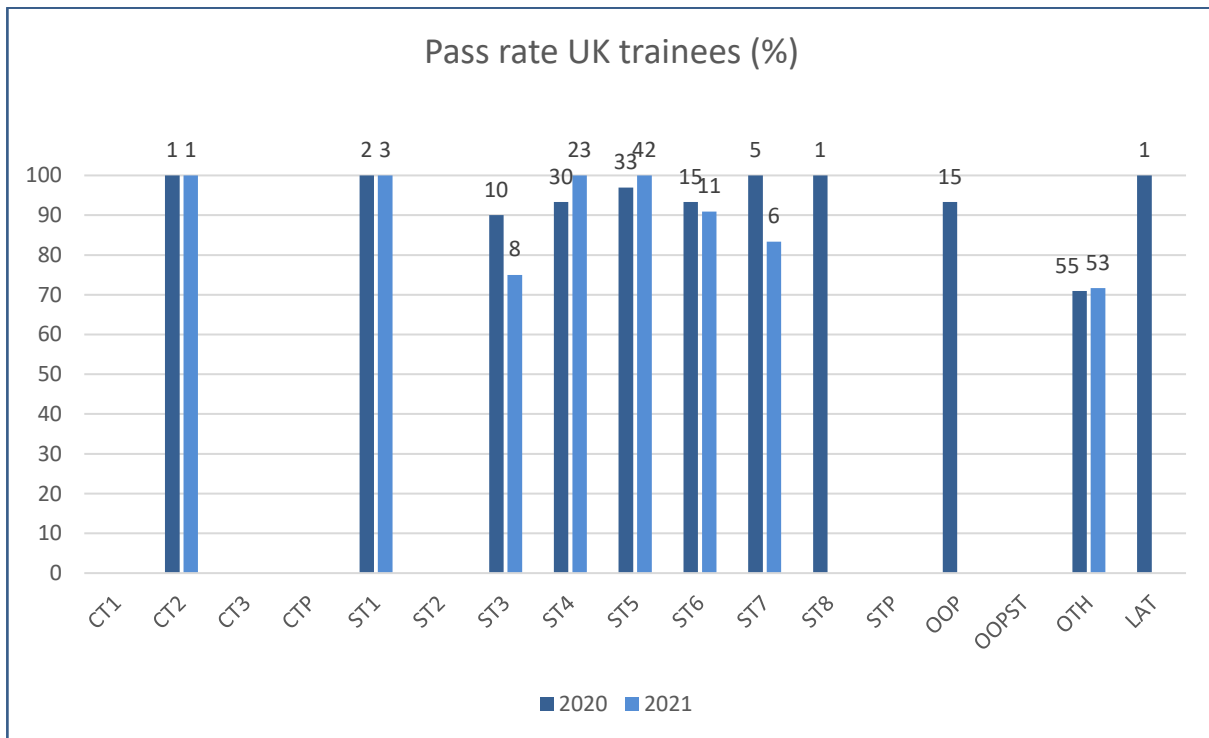

The pass mark for this examination was established by equating based on 2019 UK trainees' performance. All future examinations will use 2019 as the base form for equating until the standards are reviewed by the SCE Acute medicine Examination Board.

For the 2021 SCE Acute Medicine examination the pass mark was set at **449 (54.3% or 108/199)**.

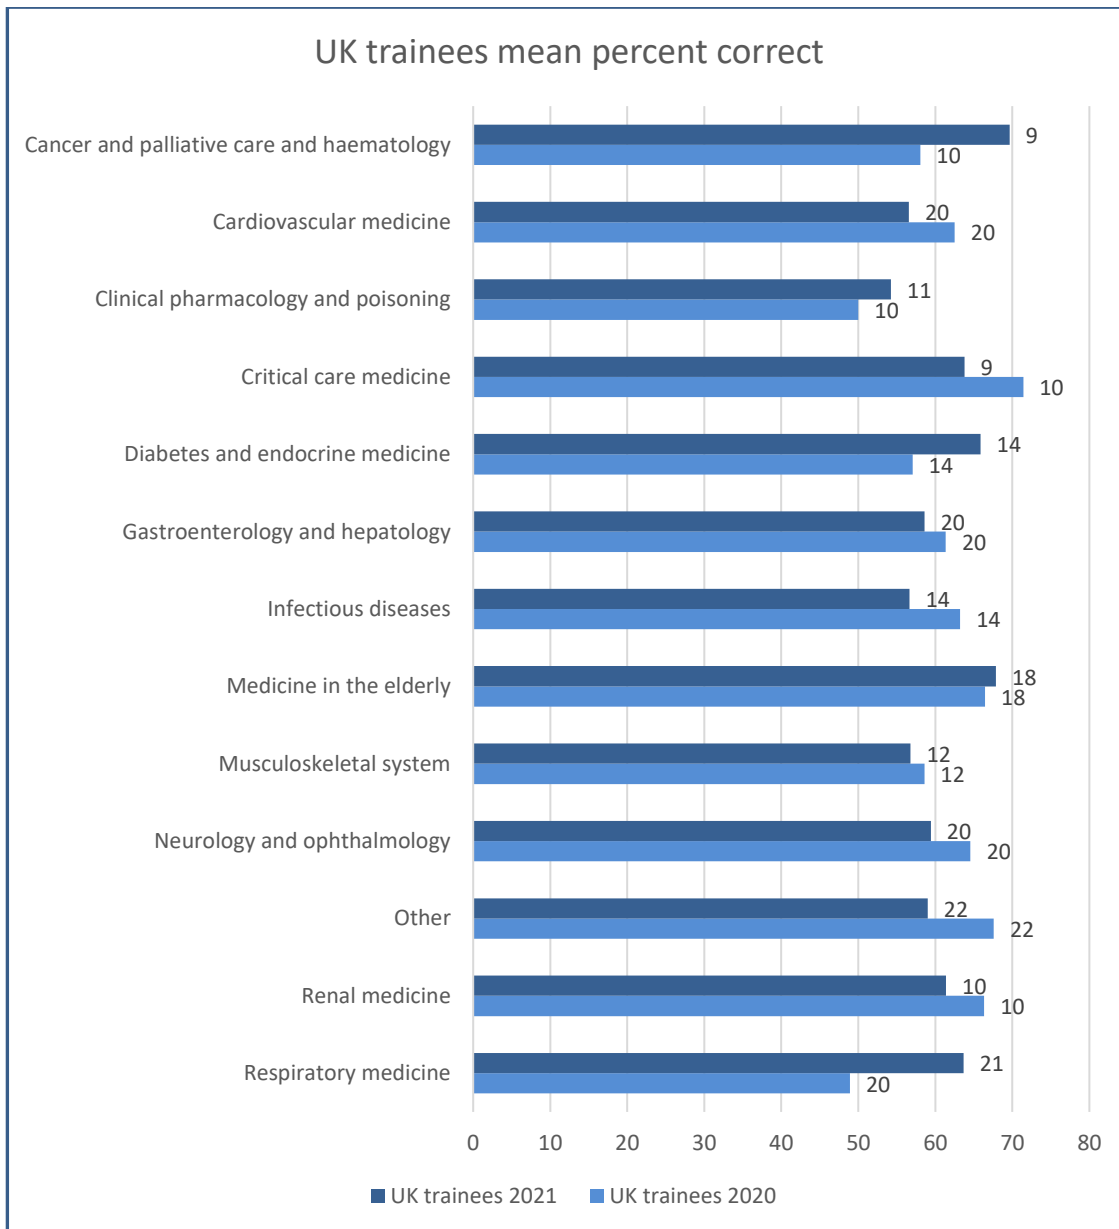

One question was pulled from the examination due to poor performance.

More information on standard setting can be found here
