

Specialty Certificate Examination (SCE) in Respiratory Medicine 2021 Selected Examination Metrics

The 2021 SCE in Respiratory Medicine was sat by 320 candidates of whom 201 were self-declared UK trainees. Candidates who did not declare their training details are reported as 'Other' (119).

Pass Mark

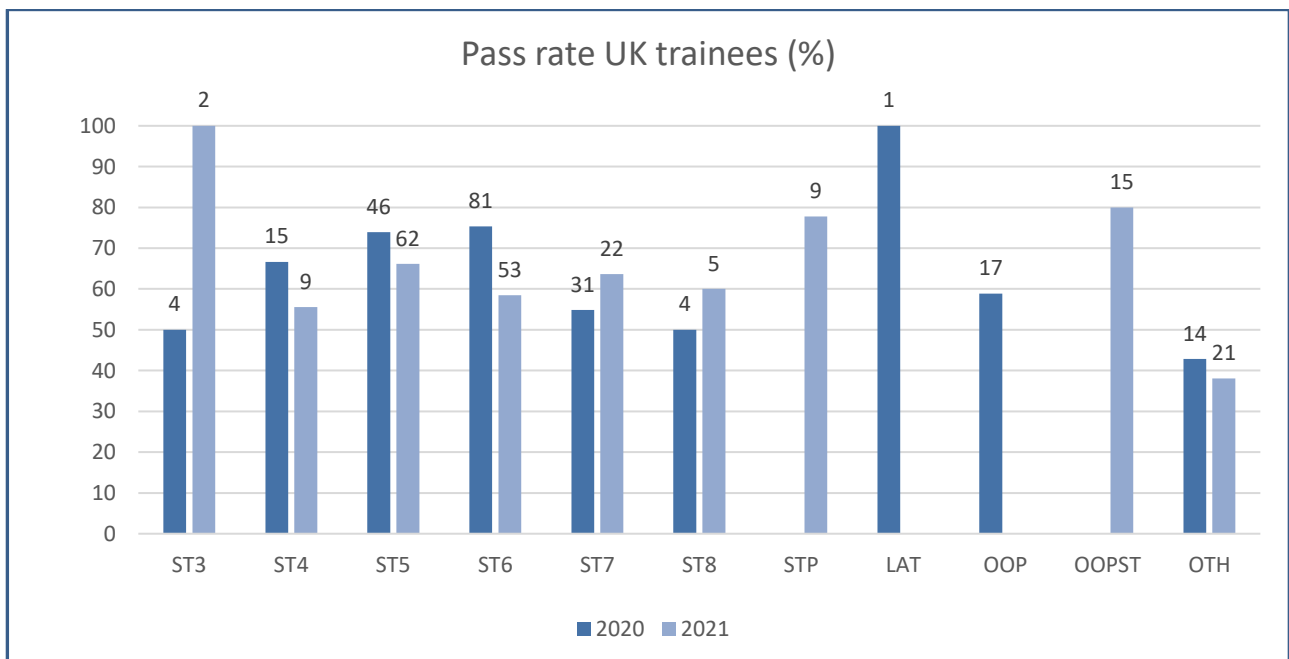

The pass mark for this examination was established by equating based on 2019 UK trainees' performance. All future examinations will use 2019 as the base form for equating until the standards are reviewed by the SCE Respiratory medicine Examination Board.

For the 2021 SCE Respiratory Medicine examination the pass mark was set at **459 (66% or 132/200)**.

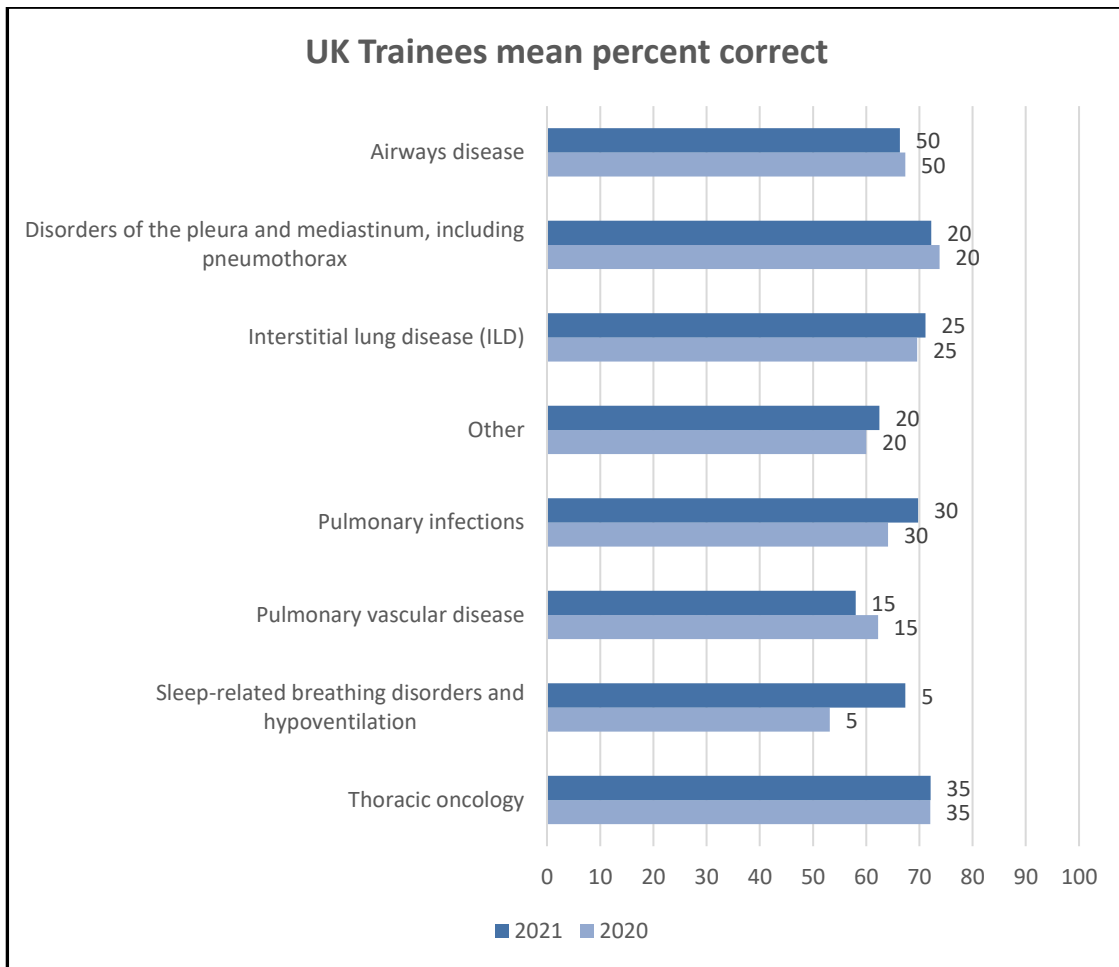

More information on standard setting can be found here
