

Specialty Certificate Examination (SCE) in Acute Medicine 2018 Selected Examination Metrics

The 2018 SCE in Acute Medicine was sat by 319 candidates of whom 139 were self-declared UK trainees. Candidates who did not declare their training details are reported as 'Other' (180).

Pass Mark

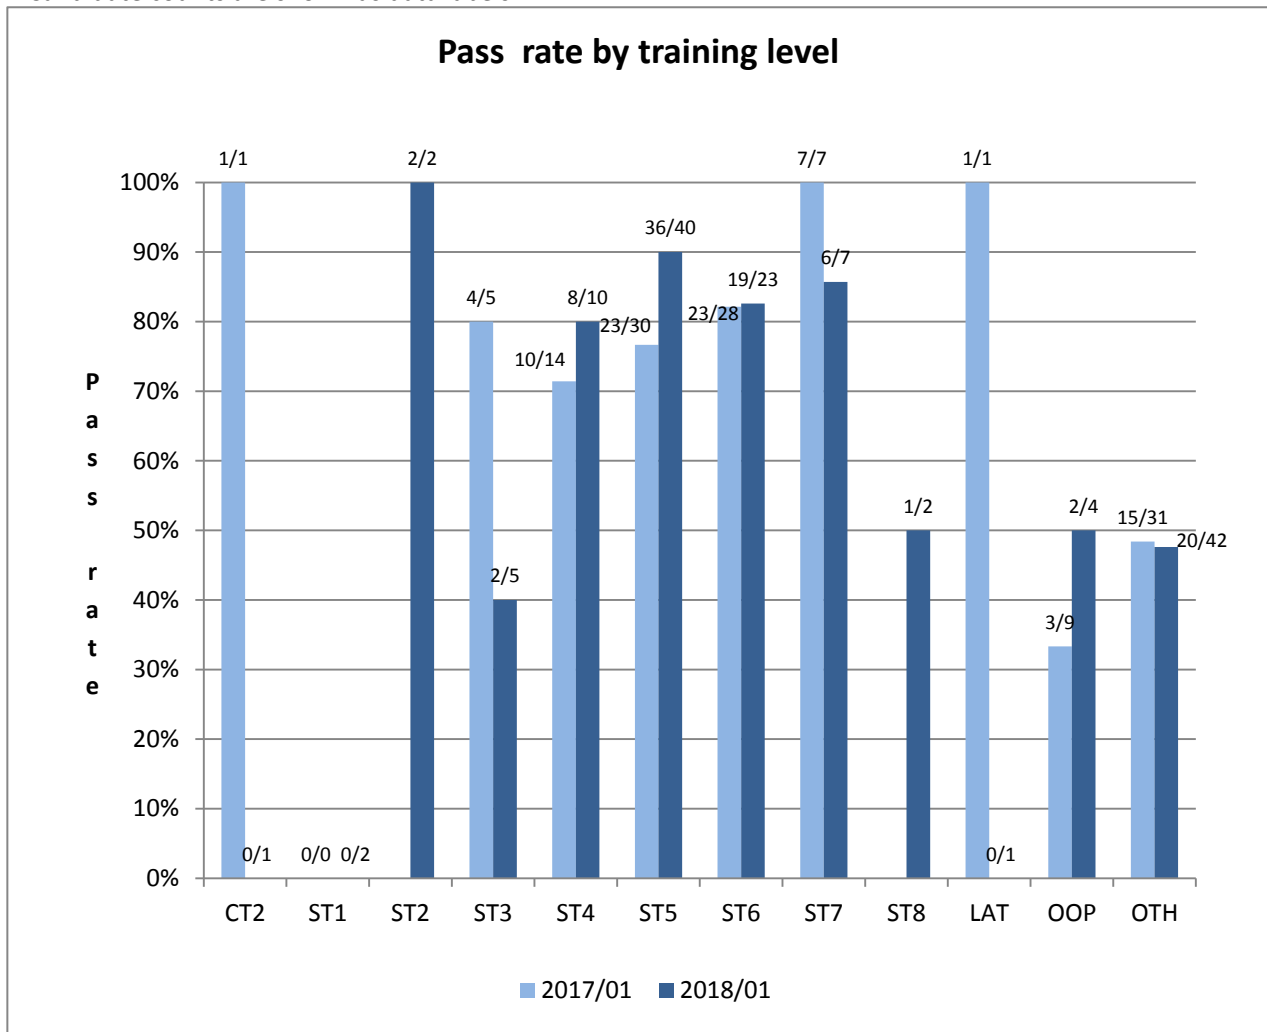

The pass mark for this examination was established by using the Hofstee compromise method which combines the mean scores of the standard setting group with UK trainees' performance.

For the 2018 Acute Medicine examination the pass mark was set at 59.1% (117/198).

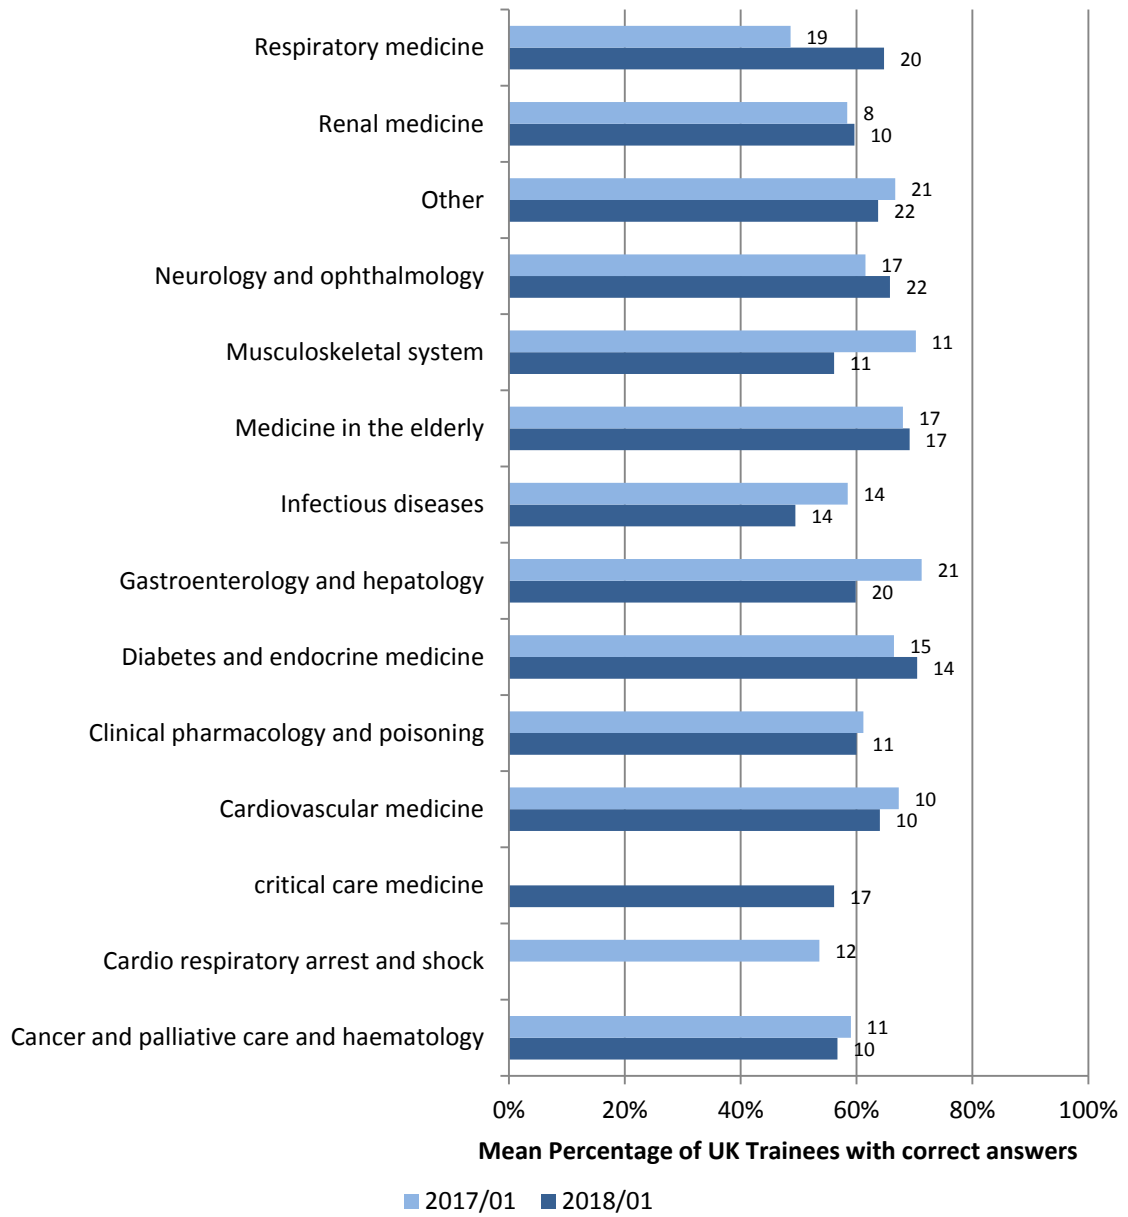

More information on standard setting can be found here
