

## SCE in Dermatology Blueprint

Candidates are tested on a wide range of common and important disorders as set out in the syllabus of the curriculum.

The composition of the paper is as follows:

<b>Topic</b>	<b>Number of questions*</b>
Cutaneous allergy	10
Dermatopathology	10
Dressings & wound care	10
Formulation & systemic therapy	10
General dermatology & dermatology in primary health care	50
Genito-urinary disorders and oral medicine	10
Infectious disease	10
Paediatrics & genetics	30
Photodermatology	10
Psychodermatology	5
Skin biology & research	15
Skin oncology	20
Skin surgery and cosmetic dermatology	10
Total	200

\* This should be taken as an indication of the likely number of questions – the actual number may vary.

The questions in each category are distributed across both papers.
