The 2016 SCE in Geriatric Medicine was sat by 202 candidates of which 177 were self-declared UK trainees. Candidates who did not declare their training details are reported as ‘Other’ (25).

**Pass Mark**

The pass mark for this examination was established by using the Hofstee compromise method which combines the mean scores of the standard setting group with UK trainees’ performance.

For the 2016 Geriatric Medicine examination the pass mark was set at 58% (114/196).

More information on standard setting can be found here [http://www.mrcpuk.org/mrcpuk-examinations/results/exam-pass-marks](http://www.mrcpuk.org/mrcpuk-examinations/results/exam-pass-marks)

*The numbers at the top of the bars are the number of trainees passing/sitting.*
