How to pay online for your MRCP(UK) examination

If you attempt to make payment online for the upcoming MRCP(UK) Part 1 examination and it is declined, you can try again by following the below guide.

Multiple Payment Attempts for Part 1, Part 2 Written and SCE exams

Steps to Access the Pay Now Link

- Step 1 - Log into your MRCP account: http://mymrcp.mrcpuk.org/Account/Login.aspx

Once you have logged in, you will see this welcome screen.
Step 2 - Select ‘Exam History’ screen.

Click on the ‘Exam History’ tab; if you have an incomplete payment status, you will see a ‘Pay Now’ link next to each exam affected:
Step 3 – Candidate chooses Payment Provider.

Selecting the ‘Pay Now’ link will take you through the online payment process. Your first step is to select the payment provider.

You can try a different payment option if you are experiencing difficulties with payments.

The final step on this screen is to select the ‘Pay’ button.
Step 4 – Complete Payment via Payment Provider (PayPal used as example here)

Enter your card details and select the ‘Pay Now’ button.
IMPORTANT: You might see a blank screen while the payment provider processes the payment (see below). Please do not close this window as might void any attempt at payment.
Step 5 – Payment Confirmation screen displayed for successful online payments

This screen will be displayed if the online payment was successful.
Step 6 – Option to verify payment completed via Exam History screen

If the payment was successful, there will be no ‘Pay Now link’ displayed.
