

Specialty Certificate Examination (SCE) in Nephrology 2019 Selected Examination Metrics

The 2019 SCE in Nephrology was sat by 247 candidates of whom 96 were self-declared UK trainees. Candidates who did not declare their training details are reported as 'Other' (151).

Pass Mark

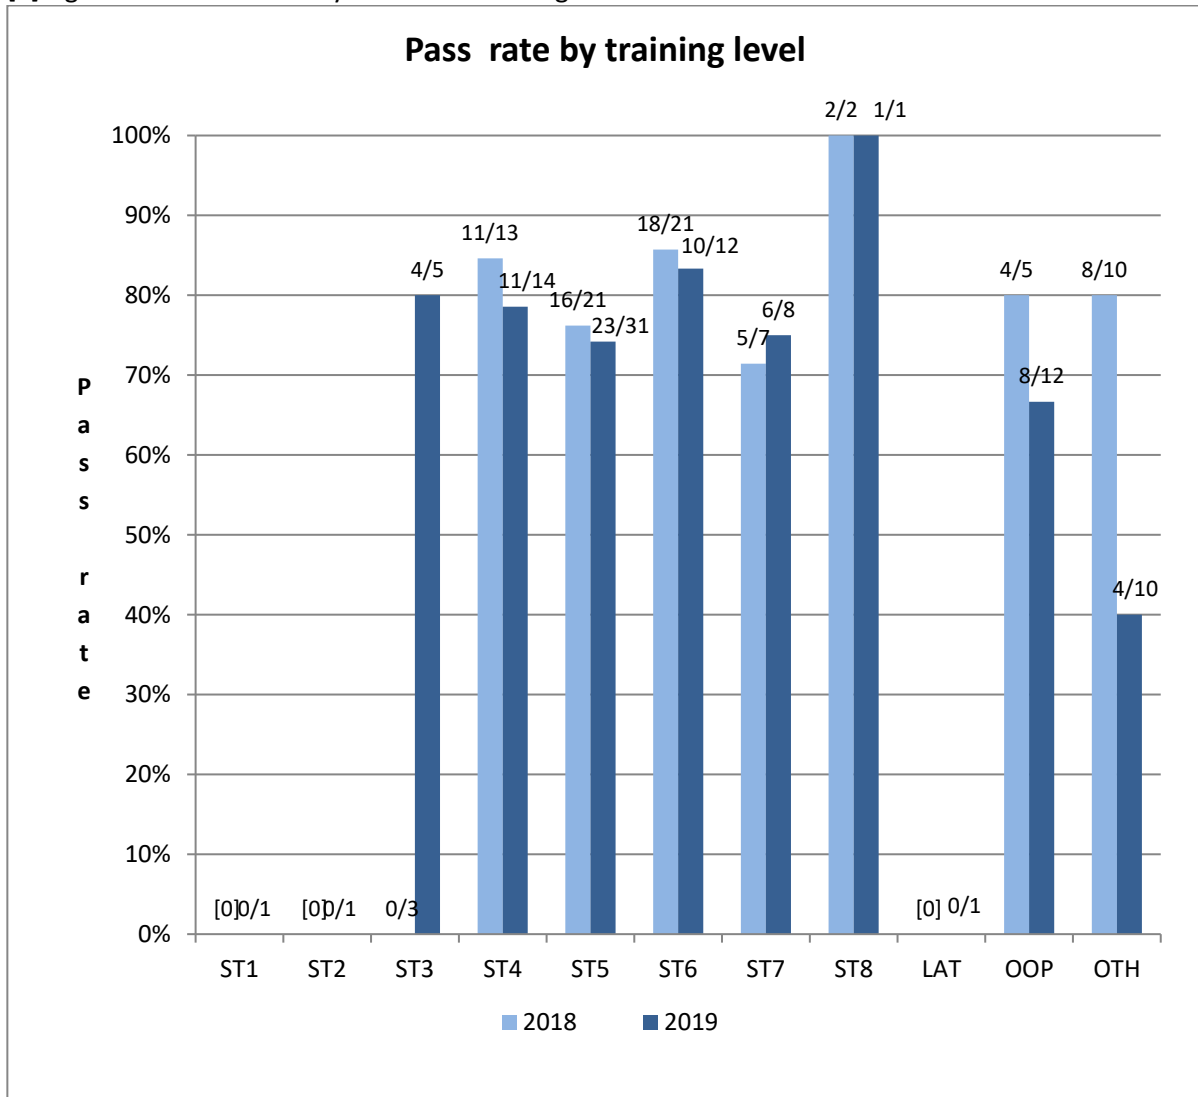

The pass mark for this examination was established by using the Hofstee compromise method which combines the mean scores of the standard setting group with UK trainees' performance.

For the 2019 Nephrology examination the pass mark was set at 64.3% (128/199).

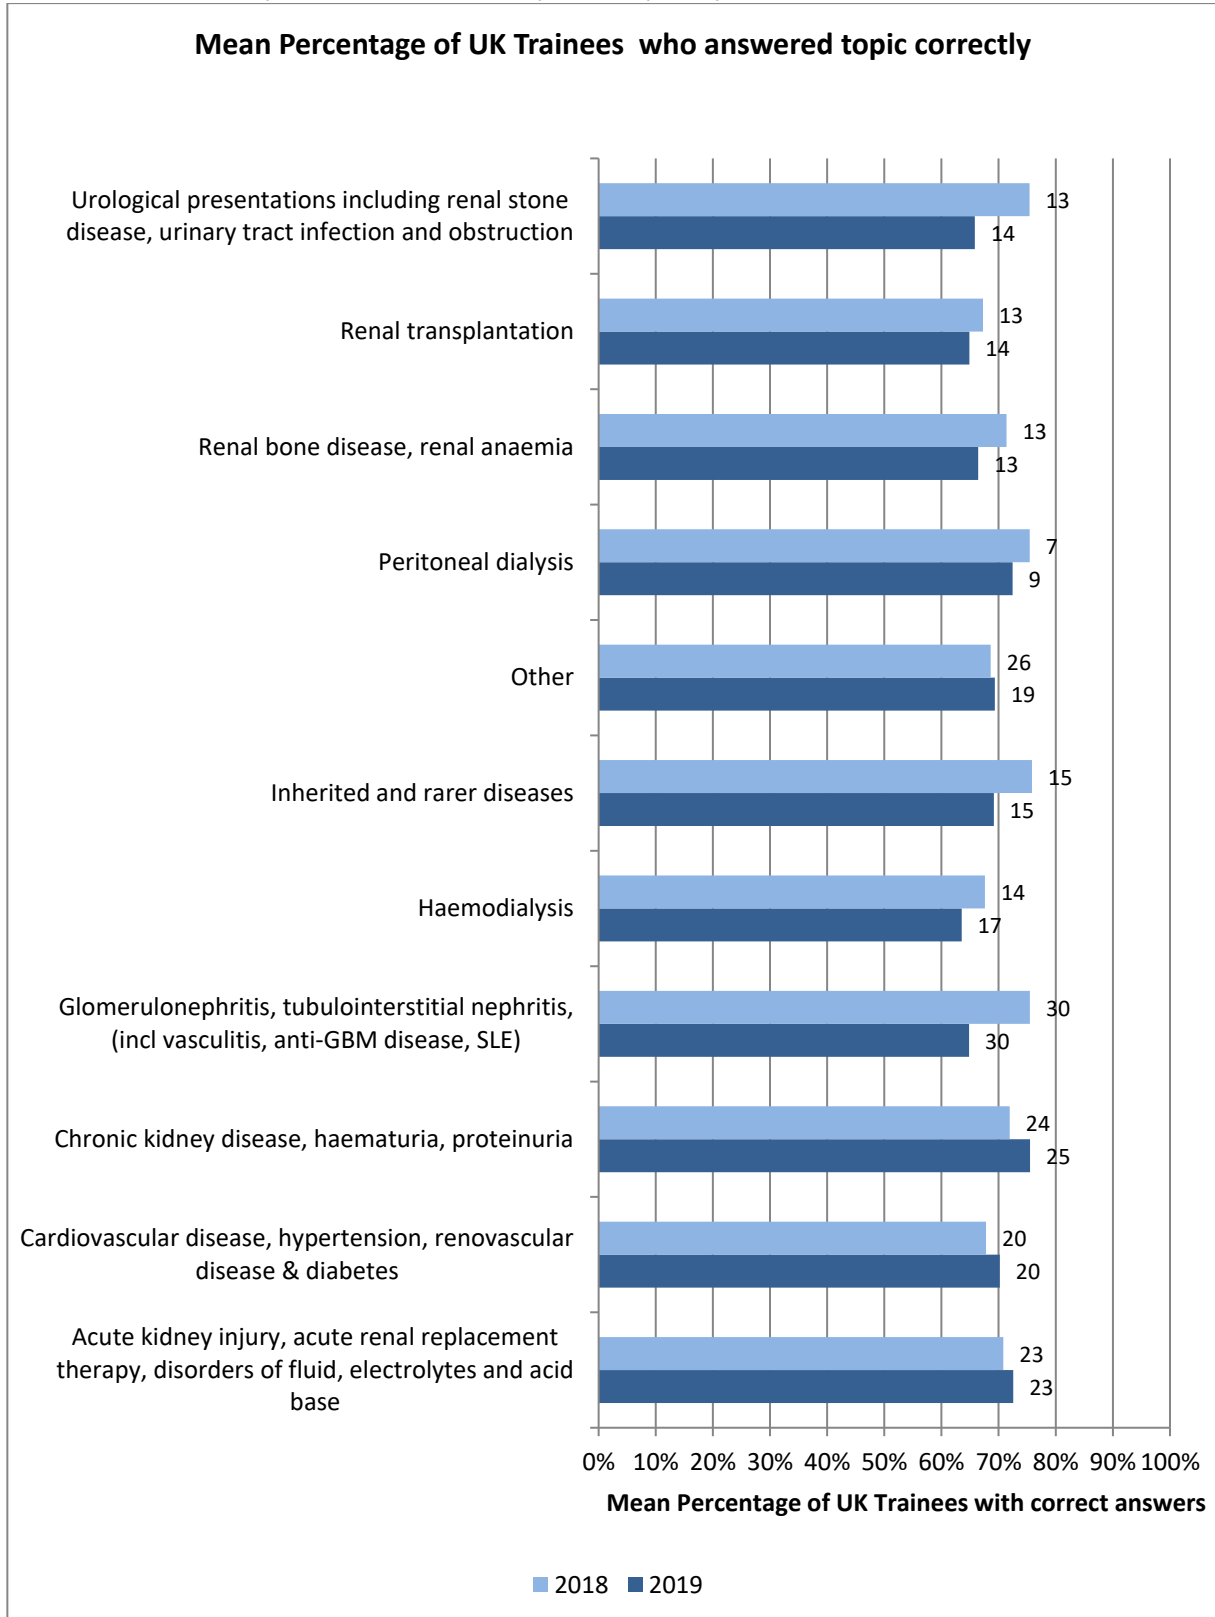

More information on standard setting can be found here
